Full payment of Deposit (by June 1st, 2024) confirms your place in Leadership.

This Deposit is not refundable, and your participation in the online component is also confirmed. No amount of the deposit can be kept towards a future Leadership if a student withdraws before or during the online component.

The payment of the Remainder (Oct 2nd, 2024) is due 60 days prior to the start date of the residential. Your participation in the residential is confirmed with this payment.

If the student decides to withdraw for any reason after this, there shall be NO refund.

50% of this Remainder will be held towards a future Leadership class (up to 2 years).

Please understand we may not be able to take in another student at short notice, and there are fixed costs to hosting this class. Do note that Leadership fee may vary from year to year.

In the event that the Centre must cancel the residential workshop after the online component has begun, students will receive a refund of the fee minus the deposit. The online component will still carry on to completion.

In this case, students may choose for the Centre to hold any refunds towards a future Leadership class (up to 2 years).
